Please tell us briefly about your previous artistic experience and training. This is important for the workshop leaders to know in advance, thank you!

Winter Edition is largely financed from workshop participation fees. Nevertheless, we want it to be as affordable as possible for everyone. For that reason, we offer three possible fees and let you choose which one you can afford to pay:

Standard fee: if you are able to pay the workshop fee on your own or with the help of your family, friends, or other external assistance.

Reduced fee: if you have little or no income, or if the standard fee would be a hardship for you.

Supporter fee: Can you help make it possible for someone else to come to Winter Edition? By paying a supporter fee, you contribute 1/3 towards a scholarship fee. Three Supporters allows us to award a scholarship to someone who would otherwise be unable to come. Please help with a Supporter fee, if you can.

Scholarships: If we can afford to do so, other music e.V. will offer tuition scholarships and/or housing scholarships. If you would like to apply for a scholarship, please explain briefly on a separate page why you believe you qualify (financial, employment or other special situation).

Thank you!
